TRANSFORM YOUR TEAM TO WIN IN THE LOW TOUCH ECONOMY

A Step-by-Step Guide To Achieve The Necessary Changes In Your Organization

(Complimentary Webinar)

Led by **Roger Konopasek**, we will discover how to:

- Analyze your current team's emotional composition (Victims/Villains/Heroes)
- Discover the power of belief systems and how to move teams out of current comfort zones
- Learn the two basic functions triggering deep-seated behavior change
- Create powerful organization-wide information strategies → creating total buy-in for rapid, massive change
- Understand brain plasticity and why people do have the capacity to change
- Use the 5-step method to transform the way people think & act
- Install a precise follow up & coaching cycle to re-inforce the new cultures & actions to become lasting habits
- Learn dialectic questioning methods to accelerate a transition to a mature, fast, willing, transparent culture
- Take on large-sized change projects and turn them into bite-sized action plan paths (from complexity to simplicity).
